- Most payments can be made next day
- Receive an electronic version of your bill with eBills
- Receive email reminders when a payment is due or a payment has been sent

To use Online Bill Pay or Mobile Banking, you must be enrolled in Online Banking.

1. Online bill pay is free service within PNC Online Banking to residents within the US, a qualifying checking account to use this service. We reserve the right to decline or revoke access to this service. Payments to billers outside of the United States or its territories are prohibited through this service. Tax payments, payments to settle securities transactions, and court ordered payments may be scheduled through the Service; however, such payments are discouraged and must be scheduled at your own risk.

2. PNC does not charge a fee for Mobile Banking. However, third party message and data rates may apply. These include fees your wireless carrier may charge you for data usage and text message services. Check with your wireless carrier for details regarding your specific wireless plan and any data usage or text messaging charges that may apply. Also, a supported mobile device is needed to use the Mobile Banking App. Mobile Deposit is a feature of PNC Mobile Banking. Certain other restrictions apply. See the mobile banking terms and conditions in the PNC Online Banking Service Agreement.
