Account Opening and Usage

Virtual Wallet with Performance Spend is comprised of 3 accounts working together:

- Your Spend account is an interest-bearing checking account
- Your Reserve account is an interest-bearing checking account used for short term savings goals
- Your Growth account is a savings account which earns interest and can be used for longer term savings goals

Effective June 1, 2018, PNC reserves the right to refuse or return any deposit amount to you that causes the combined balance of all of your Virtual Wallet Growth accounts with us to exceed \$5,000,000 (including any jointly owned, or in the case of an account owned by a living trust, jointly managed accounts).

Balances on your Growth account will receive a standard variable savings rate and APY. Beginning with the calendar month following the date you open your Virtual Wallet, you can qualify for a higher variable relationship rate in any month in which you meet any one of the following requirements:

- Make a combination of 5 or more debit card and/or credit card transactions during the previous calendar month.
 - Qualifying debit card transactions are either PIN or non-PIN point-of-sale transactions made from your Virtual Wallet Spend account.
 - Qualifying credit card transactions are signature based point-of-sale transactions made from a PNC consumer credit card you have chosen to link to your Virtual Wallet online view.
 - Cash advances and ATM transactions are not considered qualifying transactions.
 - Transactions are considered to be made when the transaction posts to the Spend or credit card account, which may be later than the date you initiated the transaction.
- Have \$2,000 in qualifying² direct deposits (\$1,000 for WorkPlace or Military Banking customers) to your Spend account during the previous calendar month.

When either the standard or relationship rate is applied, your Growth account will earn interest on the entire account balance each day at the interest rate and APY in effect for the appropriate balance tier.

We will only link accounts at your direction. If you have not directed PNC to link another account to your Virtual Wallet with Performance Spend, the accounts will not be linked and you will not receive a Relationship Rate, applicable waivers of monthly service charges or other relationship benefits on your unlinked PNC accounts. The requirement that you direct us to link accounts in order for you to receive benefits applies to all of your PNC accounts.

For current interest rate and Annual Percentage Yield information, call 1-888-PNC-BANK (1-888-762-2265).

FOOTNOTES:

- 1 PNC deposit accounts eligible to be linked may include consumer checking, savings, money market, certificates of deposit and retirement certificates of deposit. PNC linked loan accounts may include line of credit, auto or home equity installment loan, and mortgage loan. Any PNC Investment (PNCI) asset where PNCI is the broker-dealer of record is eligible to be included in the combined average monthly balance requirement; assets managed under a fiduciary relationship with PNC Wealth Management are not included. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on titling structure, product type or other constraints. A maximum of ten (10) linked PNC accounts, including your Spend, Reserve and Growth accounts, may be included in the combined average monthly balance relationship. See the PNC Virtual Wallet Fine Print: "What You Need to Know", "Interest Payment and Balance Computation" section for details. We will determine the combined average monthly balance using the most current statement period balance on linked deposit accounts as of the day before this account cycles. We will use the outstanding balance on linked lines of credit, and the original principal amount on linked installment and mortgage loans to determine the combined average monthly balance.
- 2 A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.
- 3 See the PNC Virtual Wallet Fine Print: "What You Need to Know", "Interest and Balance Computation" section for details.
- 4 PNC Bank charges may apply for use of another financial institution's or ATM operator's ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.
- 5 In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period.
- 6 Some accounts may not be eligible to be linked as overdraft protection based on titling structure, product type or other constraints. Transfers from your Reserve, Growth or other PNC deposit account are in the exact amount of the overdraft. Transfers from a line of credit or credit card are a minimum of \$50.00, rounded upward to the next whole dollar. Transfers from a line of credit or credit card may be charged a fee on the line of credit or credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or Disclosure Statements.
- 7 A federal regulation prohibits you from making more than a total of 6 transfers each month to other accounts from a savings or money market account (including transfers to another account for overdraft protection) or to third parties each month by check, through point-of sale purchase transactions with a banking card, by pre-authorized or automatic agreements, telephone, or online. See your account agreement for more information. Other limits may apply to your account. Excessive transactions may result in changing your Growth, Savings or Money Market account to a Standard Checking account and will be subject to the features and fees as described in the Consumer Schedule of Service Charges and Fees in effect at that time.
- 8 There may be fees for certain optional services available through PNC Online Banking and Bill Pay.
- 9 In the event your Spend account is closed, you will lose your Virtual Wallet and your Reserve and Growth accounts will become stand-alone Interest Checking and Premiere Money Market accounts respectively, and will be subject to the features and fees as described in the Consumer Schedule of Service Charges and Fees in effect at that time.
